

To all our MRWF Members and their friends and family who donated to and/or attended our June 8th fundraiser on behalf of *New Day for Children*.

Amazing!!!! We had over eighty guests and, because of your incredible generosity we were able to raise just over \$35,000!!!! With the full dollar-for-dollar match from the Quest Foundation, this event will result in over \$70,000 contributed to *New Day for Children* to fund their important programs. You should all be very proud of your commitment to help these sex trafficked children as shown by your strong support for this event and this very worthy cause.

We give our thanks to our MRWF Board members and to the *New Day for Children* volunteers who contributed to all parts of the success of this event. We also thank Judy Groesbeck, a past Board member, who stepped up to help. BIG kudos go to Terry Tallen, our auctioneer extraordinaire, who enthusiastically encouraged many of you to contribute at the event toward the many needs of these children.

The results of our efforts far surpassed our expectations for this event. We cannot thank you all enough for joining us in contributing time and money to make this fundraiser a phenomenal success.

Please let your friends and family who attended but who may not be on our mailing list know how successful this event was and how we value their participation. We are very proud to be associated with such giving, compassionate people.

Many heartfelt thanks to all of you. Know you have done an extraordinary service to help these kids.

Jane Maushardt and Diane Tallen
Co-Chairman, Fundraiser for New Day for Children
