

# Marin Republican Women, Federated

Our MRWF SPEAKER SERIES for the first five months of the 2026 year! We are delighted to provide great access to provocative conservative speakers!

**Date: Wednesday, March 25, 2026**

**Time: 11:30 am to 1:00 pm**

**Location: The Club at McInnis, 350 Smith Ranch Road, San Rafael, CA.**

## **Speakers: Candidates for California State Offices**

**HERB MORGAN**, Candidate for California State Controller

**“How the State Controller Can Effect Fiscal Discipline in State Spending”**

**Herb Morgan** is running for California State Controller with a bold vision to transform the office from a passive bookkeeper into an active guardian of taxpayer dollars. At the heart of his platform is a commitment to radical transparency and real-time fiscal oversight. Morgan believes Californians deserve to know exactly how their \$300+ billion state budget is spent—without delay, red tape, or political spin. He plans to leverage the untapped power of the Controller’s office to conduct meaningful, outcome-based audits and proactively prevent waste, fraud, and abuse.

**DON WAGNER**, Candidate for California Secretary of State

**“How I Will Return California to a Disciplined Election System”**

**Donald P. Wagner**, running for California Secretary of State, has proposed several election reforms aimed at increasing trust and efficiency in the state’s electoral system. Wagner **strongly supports a 2026 ballot initiative to implement voter ID** in California. He has pledged to enforce it if passed, stating: “If voters pass voter ID, I will pledge to take it to court if I need to and make sure that this state implements voter ID.”

**April 22, 2026**

**COLLEEN BRITTON**

CALA – California Action for Legislative Accountability

**“Get Your Voice Heard by Your California Legislators”**

**May 18, 2026, Monday**

**SHERIFF CHAD BIANCO**

Gubernatorial Candidate for California

**“Public Safety is California Citizens’**

**Highest Priority - What I Will Do to Deliver It”**

Mary Grove, 1st VP Programs
